

**Coffee Drinking Permission Slip Date [\_\_\_\_/\_\_\_\_/\_\_\_\_]**  
**Only boys with signed permissions may drink coffee on Troop outings.**

Several boys have expressed interest in being permitted to drink coffee on Troop outings. It is one of the responsibilities of the Troop leadership to make certain that the boys eat healthy foods. This extends to the beverages they drink on outings. Some parents permit their sons to drink coffee and some do not. Unless a boy has a copy of this permission slip, signed by a parent and indicating that he does have permission, on file with the Troop, he will not be permitted to drink coffee.
